

PERFECT. QUICK. SAFE

CLOUDDANCERS offers custom-made canopy covers for all kinds of airplanes. Our focus is set on **perfect fit, quick and easy handling** and **wind resistant fastening**. The covers are available in many different shapes and materials. Our range extends from simple dustcovers to all-weather covers with impact protection and a **removable soft cotton lining** for the canopy. The all-weather covers are **100% waterproof** and offer **protection against UV radiation**.

We will be glad to advise you on the phone or via e-mail and fulfill your individual requirements. For prices please visit our website or request a non-binding offer.

CLOUDDANCERS also offers custom-made canopy covers for all kinds of gliders. Please don't hesitate to contact us for more information.
